The Address only to be written here.

I will try and get
that what you asked me
How is Dr. [unclear]
is he better. Dear Sister
I got your letter and was glad to
hear all were well. Elmer is well
but baby and I have had dreadful
colds, we were to Maggie's last
Sunday and I washed Monday
morning and I had to go to
bed after dinner. I took a
chill, but I am able to
be around again. My cold
is a little better than it was.
